

Harbor College Faculty Gains Ten Instructors

Ten instructors have been added to the Harbor College faculty for the spring semester, it was announced today by Dr. Wendell C. Black, college president.

Darwin Aronoff joins the staff as a librarian. He received his master's degree in library science from the University of California at Berkeley. He has been a librarian at Paramount Junior High School, Pasadena City College and Los Angeles City College. He was a senior librarian at the Los Angeles Public Library and also served in the U.S. Army.

Wayne E. Bates joins the science division as a geology instructor after teaching at Eastern Washington State College, Portland State College, Metropolitan College in Kansas City, Mo., and East Los Angeles College. He has also worked for the National Park Service as a naturalist. He received his master's degree from the University of Kansas.

MRS. PEGGY Burkhardt, who has been working as a substitute at Harbor joins the full time staff in the English department. She has taught at the University of Kansas, the University of Iowa, and Los Angeles Pierce College. She has a master's degree from the University of Kansas.

Howard Filer moves from San Pedro High School to join the Harbor faculty as a printing instructor. He received his master's degree from California State College at Long Beach.

Jesse J. Flores joins the counseling staff after teaching for 17 years at Jordan High School as head of the athletic department, counselor, vice-principal and register. He received his master's degree from the University of Southern California. He retired as a major in the Marine Corps Reserve.

Ramon Mann is another Jordan High School faculty member joining the school as a counselor. He has also taught at the University of Southern California, and East Los Angeles College as well as producing a series of films on black history. He earned his master's degree at the University of Southern California.

MRS. SELMA Seps joins the Spanish department after teaching at University High School, Los Angeles Valley College and Los Angeles City College. She has also served with the U.S. Embassy in Rio de Janeiro and has had a conversational Spanish reader published by Harpers. She has a master's degree from the University of California at Berkeley.

Miss Virginia Sjaholm joins the biology department. She earned a Ph.D. at the University of California at Los Angeles where she taught botany.

Mrs. Katherine M. Weber joins the women's physical education department to teach dancing. She has taught at Huntington Park High School and Orville Wright Junior High.

Michael Gegna joins the drama department to replace Fred Martin who has joined the faculty of Los Angeles City College. He holds a master's degree from California State College at Los Angeles and has taught at Mark Koppel High School in Alhambra.

NEWSPAPER AWARD . . . Receiving special award at California Newspaper Publishers Assn. convention in San Francisco is Jon B. Riffel (right), vice president of system public relations for Pacific Lighting Service and Supply Co. Presenting plaque is Lt. Gov. Ed. Reinecke. The gas companies were recognized for their long support of the Better Newspaper contest, including compilation of entries and provision of facilities for the day-long judging. Pacific Lighting Service and Supply is an affiliate of Southern California Gas and Southern Counties Gas Cos. in the Pacific Lighting System.

County Seeks Federal Aid to Repair Damage

County supervisors have adopted a resolution requesting federal assistance for emergency work necessary because of the series of heavy storms in the Los Angeles Basin, Supervisor Burton W. Chace said today.

The action was recommended by the County Flood Control District.

Chace said President Nixon declared the county a major disaster area last Jan. 26 and the declaration permits local governments to request through the state performance of work by federal agencies. The action is authorized under provisions of Public Law 875.

The resolution will be forwarded to the state for concurrence by Governor Reagan's authorized representative and submission to the Regional Director of the Office of Emergency Preparedness.

It requests that office to "arrange to have the appropriate federal agency perform emergency work essential to the health, safety or welfare of the people and property of this public entity."

The majority of the projects involved removal of storm-caused debris from various Flood Control District facilities, according to Chace.

Exchange Club Launches Annual Talent Contest

The Exchange Club of the South Bay has announced plans for its annual "Search For Talent" contest. This year's preliminary auditions will be held March 21 at 6 p.m. in the Mira Costa High School auditorium, according to chairman Don Simkins.

The event is staged annually by Exchange Clubs throughout California for the purpose of offering talented youth with an opportunity for competition, and a chance to improve their ability.

The contest is divided into junior and senior age groups, and into individual and group instrumental, vocal, and dance competition.

CONTESTANTS must have reached their seventh birthday by May 31, 1969, and must not have reached their 19th birthday as of that date. They must be enrolled in a public, parochial, or private school, and have amateur status.

Application for the South Bay Exchange Club contest are now being taken for contestants living in the following cities: Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Harbor City, and the Palos Verdes Peninsula area. Request for application may be made to Simkins, 4101 Cathann St.

Deadline for entry is March 14. Applicants from outside the above listed cities may call to find out where to apply in their city.

FINALISTS selected during the preliminaries will return to compete the following week on the evening of March 29. Winners will receive trophies, and the first place winners in each division will advance to a division finals to be held in early May. Division winners will compete in a state finals to be held June 26 in Sacramento in conjunction with the California District Exchange Club Convention.

The general public is invited to attend all performances at no admission charge.

Councilmen To Discuss Narcotics

Narcotics will be the topic of discussion at the monthly meeting of the South Bay Councilman's Association tomorrow. The meeting will be held at 1700 S. Pacific Coast Hwy., Redondo Beach.

Redondo Beach Councilman and Association President J. O. Lee Solomon, said the social hour would start at 6:30 p.m., with dinner at 7 p.m. Reservations may be secured by calling Diane Jenkins at the Redondo Beach City Hall.

A three man panel to cover the field of narcotics will consist of Assemblyman Walter J. Karabian of the 45th District, the Rev. Vincent H. Coletta Jr. of the First Baptist Church of Palos Verdes, and Dr. Roland Summit, head physician of the Community Consultation Service at Harbor General Hospital.

Library Contest To End

Judges for a special citywide Library bookplate contest, being sponsored by the Torrance Library Commission and the Recreation Department, were announced here today.

The four judges include Councilman William J. Uerkwitz; Charles Fischer, senior preparator for the Los Angeles County Museum of Natural History; Mrs. Robert Rector, a local writer in the arts and crafts field; and Mrs. N.W. Wickersham, a member of the Torrance Friends of the Library.

Deadline for the contest, which is open to all youngsters in the city, is Saturday. Entries should be submitted to the nearest branch library.

Semi-final winners will be announced next week and the designs will be displayed at the five branch libraries March 10 through 15.

To Show Line

Hi-Shear Corp. of Torrance, will display infrared heating devices, valves, and fittings at WESTEC '69 (Western Metal and Tool Exposition and Conference). The metalworking event will be held at the Los Angeles Great Western Exhibit Center and the Biltmore Hotel, March 10 through 14.
